TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

Nanonics Products

**Description of Changes**

Manufacturing location change. TE Connectivity (TE) is validating a second source. This is an additional plating facility for added plating capacities only, no part change. This change notification applies to the Receptacle Shell used in NANONICS Products. This change will not affect form, fit or function in any way.

**Reason for Changes:**

Dear Customer, we hereby inform you about the additional plating facility for added plating capacities. The additional location follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The design of the components will continue to be the same. The parts will be first article inspected and validated prior to production assembly. The new manufacturing location operates under a certified quality management system in accordance with standard Aerospace and Defense requirements.
