Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from an Outside Vendor to another Outside Vendor.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our process, we hereby inform you about a transfer of a subcomponents' manufacturing process. The new manufacturing location is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, with intent to meet or exceed the performance as well as form, fit and function of the finished goods.
