TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Arinc Connectors

Description of Changes
Manufacturing location change. Adding supplier located on Garden Grove, Orange, CA as an additional supplier to plate shells used in ARINC connectors.

Reason for Changes:	
Dear Customer, as part of our continuous strive for improving our lead-time, we hereby inform you about the addition of a new component supplier to our supply chain. This addition is executed by following a strict procedure, which fully maintains quality, ability to supply and there is no form-fit-function change of the concerned products, the design of the components will remain the same and all part numbers remain unchanged. The new manufacturing location operates under a certified quality management system in accordance with standard Aerospace and Defense requirements. The parts will be first article inspected and validated prior to production assembly and before delivery.
