TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
33POS,1.0 SERIES, REC HSG ASSY, SLD (1554461-1/-2/-3/-4) Change Packaging Form

Description of Changes
Following packaging changes will be made for parts produced from TE Thailand Manufacturing Plant to optimize the packaging form. Increase box quantity from 160pcs to 180pcs by adding parts on top empty tray (20pcs/tray) with air cap sheet on top. Increase box weight from 4.52kg to 4.92kg. No change in tray and box. No changes that will affect product form, fit and function. An internal release based on our specifications will be executed before any parts will be delivered. PPAP will not be submitted since there is no change to product form, fit and function. If you have any technical questions, please contact Chow, Jason K. A.< kachow@te.com>. If you have any questions relating to delivery and switchover timing, please contact your TE sales representative.
