IN67-2022 – Change on the NanEye label information

Dear Customer,

Please be informed about the upcoming change on the NanEye Shipping label.

Change Description

The FZ lot number on the Shipping label will be replaced by a Production Work Order number in order to avoid mismatches of the inventory in the Micro Camera production line. Traceability will be assured by Production Work Order number.

Current Label:

New sample label:

Please note that the supplier Batch No. on the customs invoice has a characters limitation of ten digits, therefore the production work order number will be added without the "-", (ex.: WAN2106013).

Implementation Schedule

The change will be implemented with immediate effect.
