## 8 General Information

---

This Product Discontinuation Notification announces the end of production of the product mentioned herein. The process of determining product discontinuation has been implemented in accordance to the congatec Product Discontinuation Process.

The information about the end of life of a product is issued prior to the end of production in order to provide customers using this product the opportunity to take the necessary steps with regards to technical changes, certifications and their purchasing plans. Users of the discontinued product should review the PDN carefully to ensure that final purchases are made within the schedule as defined in section 5 of this document.

### 8.1 LTB – Last Time Buy

This is the final date at which orders will be accepted for deliveries of the discontinued product. After this date congatec stops all activities in purchasing component material for further production of the discontinued product.

### 8.2 Non-cancellable Orders

From the effective date of this Product Discontinuation Notification, orders will only be accepted if non-cancellable.

### 8.3 LTS – Last Time Ship

After this specified date no more products will be produced and last deliveries will be shipped.

## 8.4 Replacement Product

congatec will have a recommendation for a replacement product that should retain the functionality of the original discontinued product. This should enable the customer to easily replace the affected product without too much complication.

congatec does not guarantee that the recommended replacement product will have the exact same layout, function and/or feature set of the discontinued product. Furthermore, congatec does not ensure that the software or hardware previously used with the discontinued product will be compatible with the newly recommended product.

### Note

*If you have any questions about the Product Discontinuation Process, and/or the recommended replacement product, contact your local congatec representative.*

Sincerely,

i.A. Martin Danzer
