Description and Purpose:

onsemi wishes to inform its customers of its plan to discontinue the listed devices in this notification that were previously included in the fab site transfer to Vanguard under FPCN25572X due to lack of demand.

Last time buy quantity will be dependent on the existing inventory and request that our customers pursue order placement for the affected product as early as possible before the last Time Buy Date referenced in this notice.

onsemi has provided a list of replacement devices, where available, to aid in this process.

For those devices that have no recommended replacement identified, onsemi has partnered with Rochester Electronics and Flip Electronics who will carry any remaining device inventory to potentially allow for a continued source after onsemi has completed its business process.

PLEASE NOTE: onsemi may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).
