ERRA 2616

03-04-2013 / Release 1.0

Device: TLE4961-1M / TLE4964-1M / TLE4964-2M

Dear Customer,

Please find attached our INFINEON Technologies Errata sheet:

Package Marking Definition

During the year 2012 we were temporarily used alternative marking definition besides the final marking definition published in the actual Data Sheets for 3 products listed below.

Sales Code	Marking actual Data Sheet	Alternative marking during 2012) ¹
TLE4961-1M	M11	C11
TLE4964-1M	M41	E41
TLE4964-2M	M42	G42

)¹ terminated end of July 2012

Impact to product

No impact, because products with different markings, but same sales code, as described above, are 100% identical

Impact to application

No impact to the application, because same product

Planned actions

No actions planned, because alternative marking definition already terminated.
