Declaration of Conformity to: CE

- This equipment is in compliance with the essential requirements and other relevant provisions of the Electromagnetic Compatibility Directive 2014/30/EU (EMC), harmonized standards: EN 61000-6-2, EN 61000-6-4
The equipment specified above was tested conforming to the applicable rules under the most accurate measurement standards possible, and all the necessary steps have been taken and are in force to assure that production units of the same product will continue comply with the requirements.

Declaration of Conformity to: FCC Part 15, Subpart B, Class A Digital Device

- This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment under FCC rules.

Declaration of Conformity to: Directive 2011/65/EU (RoHS 2) and Commission Delegated Directive (EU) 2015/863 (RoHS 3)

- This equipment is in compliance with the essential requirements and other relevant provisions of the Restriction of use of certain Hazardous Substances (RoHS 2) Directive 2011/65/EU and Commission Delegated Directive (EU) 2015/863 (RoHS 3), harmonized standards: EN 63000:2018.
