

Laird Connectivity  
1751 Wilkening Ct.  
Schaumburg, IL 60107

## EU Declaration of Conformity

Laird Connectivity declare under our sole responsibly that the product:

| Part Number:            | Description: |
|-------------------------|--------------|
| Part list, see attached |              |
|                         |              |
|                         |              |
|                         |              |

to which this declaration relates are in conformity with the essential requirements and other relevant requirements of EU Directive 2014/53/EU (RE), & EU Directive 2011/65/EU as amended by 2015/863/EU & 2017/2102/EU (RoHS).

|                         |                                                                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Safety: (article 3.1a)  | EN 62368-1:2020, EN 62311:2020                                                                                                                                          |
| EMC: (article 3.1b)     | ETSI EN 301 489-1 V2.2.3 (2019-11)<br>in accordance with the specific requirements of:<br>ETSI EN 301 489-3 V2.1.1 (2020-09) (Draft)<br>EN 55032.2015/AC:2016 (Class B) |
| Spectrum: (article 3.2) | ETSI EN 303 413 V1.1.0 (2017-03) (Draft)                                                                                                                                |
| RoHS                    | EN 63000:2018 (Electrical and electronic products with respect to the restriction of hazardous substances)                                                              |

Failure to follow datasheet/instructions may result in a non-compliant product being place on the European Market, for which Laird Connectivity cannot accept any responsibility.
