

EU Declaration of Conformity

Product Number: ARD00354

Revision: 3

Product Name: MCP6N11 and MCP6V2x Wheatstone Bridge Reference Design

Date: 5/21/2024

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Manufacturer is Microchip Technology Incorporated located at 2355 West Chandler Boulevard, Chandler, Arizona 85224 USA.

The unit covered by this declaration is a development/evaluation tool which is designed to be used for research and development in a laboratory environment. The unit covered by this declaration is not intended to be a finished appliance, nor is it intended for incorporation into finished appliances that are made commercially available as single functional units to end users.

The object of the declaration described above is in conformity with the relevant Union harmonization legislation:

The unit covered by this declaration is exempt from the RoHS Directive, 2011/65/EU of the European Parliament and of the Council of 8 June 2011, as Amended by 2015/863 on 31 March 2015, on the restriction of the use of certain hazardous substances in electrical and electronic equipment due to exemption 4(j) for equipment specifically designed solely for the purposes of research and development only made available on a business-to-business basis.

The following harmonized standards and technical specifications have been applied:

EN IEC 63000:2018	Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances (IEC 63000:2016)
