## Description

SparkFun Qwiic Keyboard Explorer - Translucent is a 14-key mechanical keyboard kit that is based on the Qwiic Pro Micro development board. This keyboard explorer kit is also a conveniently sized programmable macro pad that includes prototyping space on the top to test other keyboard peripherals. The Qwiic keyboard explorer provides spaced out standoff holes around the prototyping area to accommodate most Qwiic boards for convenient mounting. This keyboard explorer kit comes with Cherry MX blue key switches and translucent black keycaps.

## Features

- Switchplate PCB
- Main Keyboard PCB
- Mini Slide Switch
- Qwiic Pro Micro - USB-C
- 14 x Small Signal Diodes
- 14 x Cherry MX Blue Keyswitches
- 14 x Translucent Black R2 Keycaps
