

Marquage couloir (1 ou 2)
Contact Number (1 or 2)

Trou sur version JUF
Hole on SWS versions

Sigle MVL
MVL trademark

The drawing shows a key with a notched profile and a corresponding keyway. The key has a central hole and a small notch on one side. The profile shows a series of steps and a central slot. The annotations point to specific features: the contact number marking, the hole on JUF/SWS versions, and the MVL trademark.
