

The Scotch-Brite™ Clean & Shine Pad is a low-speed (175-600 RPM) scrubber pad for daily cleaning and virtually dustless polishing.

- Cleans and shines in the same step, using only a low-speed scrubber.
- Increases shine with repeated use and may result in reduction or elimination of burnishing.
- Designed with contrasting color to provide visible wear indication.
- Usable on both sides with the same proprietary coating.

- Exceptional cleaning, mark removal and shine improvement (gloss and/or distinctness of image) with water only.
- Designed for use on both sides for ease of use and extended life.
- Compatible with water, detergents, or cleaners normally used for floor maintenance.
- Color contrast between pad interior and surface coating provides wear indication.

This product is used for routine cleaning or light scrubbing under an auto scrubber or other standard low speed (175-600 RPM) floor cleaning equipment using water or detergent solution.

For use on most finish-coated or uncoated flooring including; vinyl, sheet vinyl, LVT, VCT, rubber, linoleum, ceramic tile, marble, terrazzo, granite and concrete.

Facilities Website

Safety Data Sheets (SDS)

Some of these links lead to web-based resources that are not product-specific.

Each carton shall be labeled to identify the contents by product name, size, quantity and manufacturer. Each pad shall be printed with the product name.

Circular discs and rectangles are available in a variety of common sizes. Pads are nominally one inch thick.

Dust mop entire floor prior to cleaning. Install appropriate sized Clean & Shine pad/s on your cleaning equipment. If using a rotary auto scrubber, a center hub attachment is required. Fill the scrubber tank with water or properly diluted cleaning solution. Clean floor.

Pads may be rinsed with water to remove soil and debris as needed.

Store indoors in original packaging and under normal facility conditions.

Scotch-Brite™ Clean and Shine		Test Method
Fiber Type	Polyester	N/A
Weight (4 in. by 6 in.)	22 g	N/A
O.D. Dimension	Designated Size ± 1/16 in.	N/A
Thickness	1 in. nominal	CCD0002
Aggressiveness	N/A	CCD0020
Packaging Recycle Content	50-100% postconsumer recycled material	N/A

The Scotch-Brite™ Clean & Shine Pad is certified by Green Seal® for Environmental Innovation based on a design for significantly improved initial performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation
