3M™ Privacy Notebook and LCD Filters

- Screen data is only visible to persons directly in front of the monitor. User sees a clear, bright screen with no blurring or image distortion. 3M™ Privacy Filters darken screen data when viewed from the side.

- Frameless notebook filters remain in place even when closed.

- Helps protect your LCD screen from dents, scratches and dings.

- Reduces screen glare for easier, more comfortable viewing.

- High quality. Proudly made in the USA.

- One year warranty.
Now you see it, now they don't.
