CONDITION ON DELIVERY
Anlieferzustand

RETAINER IN PRELOCKED POSITION
2. Kontaktsicherung in Vorraststellung

RETAINER IN ENDOCKED POSITION
2. Kontaktsicherung in Endraststellung

Technical drawing showing the Retainer in Endlocked Position (2. Kontaktsicherung in Endraststellung). The drawing includes a side view (left) and a top view (right).

The side view shows a vertical assembly with a circular dial or indicator on the left side, marked with numbers 1 through 12. Two 'X' marks are present on the left side, indicating specific features or mounting points. The assembly is shown in a cross-section or exploded view.

The top view shows the device's footprint, which is rectangular. It includes two main rectangular components, likely the contact points or locking mechanism, and a central circular feature. Dimensions are provided: a width of 6.1 and a height of 19.63.
