

Technical drawing of a mechanical assembly, likely a pump or motor component, showing a side view. The drawing includes a coordinate grid with dimensions 16, 15, 14, 13, and 12 along the top, and W, L, K, and J along the left side. The assembly features a cylindrical body with a flange, a mounting bracket, and a vertical section labeled 'P' and 'W'. A dashed line indicates a hidden internal feature. A small triangle with the number '4' is located at the bottom right corner of the drawing area.
