- This connector is designed for the following male contacts:  
211 CL 2S 1120 (MVL)/10738196 (DELPHI)  
211 CL 2S 2120 (MVL)/10738197 (DELPHI)

211 CL 2S 1160 (MVL)/10730997 (DELPHI)  
211 CL 2S 2160 (MVL)/15368852 (DELPHI)

- For use and mating operation : see spec. IPS 204

|                                             |                                         |                                            |                                                                                                                                                                                                                                                                                                                                       |                                            |                                                                                     |                        |                       |
