

SET OF SMALL CABLES FOR A BREADBOARD, U-SHAPED, 140 PCS

Weight 53 g

DESCRIPTION

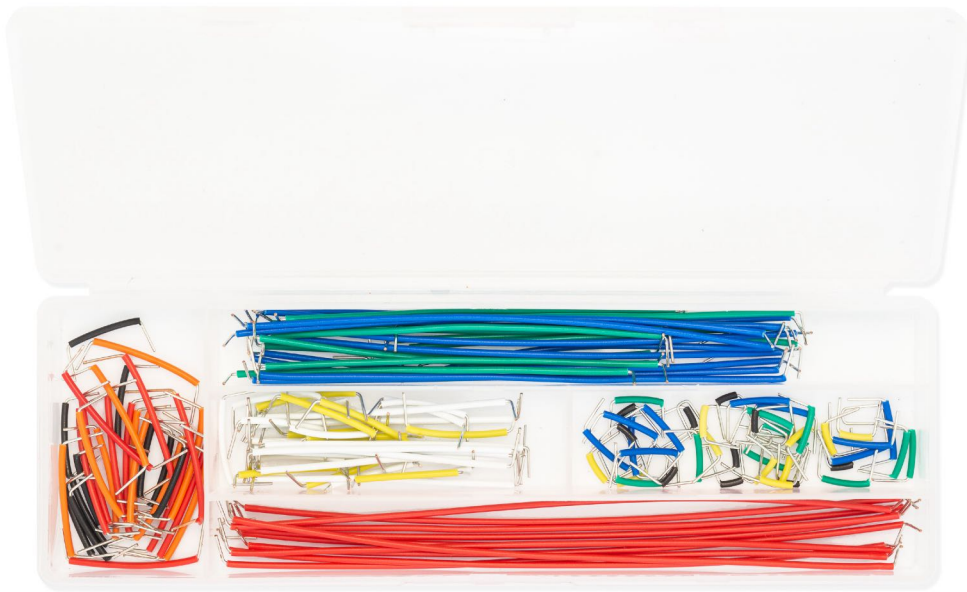

Set of cables designed to connect to the experimental board. These wires aren't as flexible as [our classic set of cables](#) and they are cut in a variety of lengths. Using these wires, your breadboard will look very neat!

FEATURES

- A total of 140 wires of different lengths
- Different colors for easy reference
- U-shaped
