SIEMENS

Data sheet

US2:HFC366NJWA

Siemens Low Voltage Circuit Protection Heavy Duty Safety Switches. CSA 600A 3P 600V 3W FUSED HD TYPE 12

fastening method SURFACE number of poles 3 suitability for operation DISCONNECTING MEAN FOR SERVICE ENTRANCE / LOADS Electricity 600 A ampacity 600 A Environmental conditions as 5 °C ambient temperature during operation maximum 85 °C ambient temperature during operation minimum -29 °C Model	General technical data	
suitability for operation DISCONNECTING MEAN FOR SERVICE ENTRANCE / LOADS Electricity ampacity ampacity 600 A Environmental conditions ambient temperature during operation maximum ambient temperature during operation minimum -29 °C Model -29 °C product brand name SIEMENS product sub brand name VBII product sub brand name VBII product teature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design SINGLE THROW design of the actuating element SINGLE THROW material STEEL	fastening method	SURFACE
Electricity 600 A ampacity 600 A Environmental conditions ambient temperature during operation maximum ambient temperature during operation minimum 85 °C ambient temperature during operation minimum -29 °C Model	number of poles	3
ampacity 600 A Environmental conditions ambient temperature during operation maximum ambient temperature during operation minimum -29 °C Model -29 °C product brand name SIEMENS product brand name VBII product type designation HEAVY DUTY SWITCH special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design SINGLE THROW material STEEL General product approval	suitability for operation	DISCONNECTING MEAN FOR SERVICE ENTRANCE / LOADS
Environmental conditions ambient temperature during operation maximum 85 °C ambient temperature during operation minimum -29 °C Model	Electricity	
ambient temperature during operation maximum 85 °C ambient temperature during operation minimum -29 °C Model	ampacity	600 A
ambient temperature during operation minimum -29 °C Model	Environmental conditions	
Model SIEMENS product brand name VBII product sub brand name VBII product type designation HEAVY DUTY SWITCH special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element general product approval STEEL	ambient temperature during operation maximum	85 °C
product brand name SIEMENS product sub brand name VBII product type designation HEAVY DUTY SWITCH special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element design of the actuating element SINGLE THROW material STEEL General product approval Entert and the structure approval	ambient temperature during operation minimum	-29 °C
product sub brand name VBII product type designation HEAVY DUTY SWITCH special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element design of the actuating element SINGLE THROW material STEEL General product approval Experiment	Model	
product type designation HEAVY DUTY SWITCH special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element design of the actuating element SINGLE THROW material STEEL General product approval	product brand name	SIEMENS
special product feature VIEWING WINDOW type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element design of the actuating element SINGLE THROW material STEEL General product approval	product sub brand name	VBII
type of electrical connection MECHANICAL LUGS Mechanical Design design of the actuating element design of the actuating element SINGLE THROW material STEEL General product approval STEEL	product type designation	HEAVY DUTY SWITCH
Mechanical Design design of the actuating element material General product approval	special product feature	VIEWING WINDOW
design of the actuating element SINGLE THROW material STEEL General product approval STEEL	type of electrical connection	MECHANICAL LUGS
material STEEL General product approval	Mechanical Design	
General product approval	design of the actuating element	SINGLE THROW
	material	STEEL
certificate of suitability	General product approval	
Cest Hours	certificate of suitability	UL98 / CSA
