## 3LD3148-1TK51

Load disconnector 3LD3, lu 25 A Main switch 3-pole Rated operating capacity at AC-23 A at 400V 9.0kW floor mounting Basic switch with door coupling Central hole mounting 22.5mm Rotating drive black 66 x 66 mm with auxiliary switch 1OE + 1S

| Model  |                                   |  |
|--|-----------------------------------|--|
| product brand name   | SENTRON                           |  |
| product designation  | Switch disconnector               |  |
| design of the product  | Main switch                       |  |
| display version for switch position indicator manual operation                         | 1 ON - 0 OFF                      |  |
| type of switch   | Floor mounting with door coupling |  |
| design of the actuating element  | Short rotary knob                 |  |
| color of the actuating element   | black                             |  |
| design of handle   | rotary operating mechanism, black |  |
| type of the driving mechanism motor drive  | No                                |  |
| General technical data   |                                   |  |
| number of poles  | 3                                 |  |
| number of poles note   | 3                                 |  |
| mechanical service life (operating cycles) typical                                     | 100 000                           |  |
| electrical endurance (operating cycles)  |                                   |  |
| • at AC-23 A at 690 V  | 6 000                             |  |
| operating frequency maximum  | 50 1/h                            |  |
| degree of pollution  | 3                                 |  |

Further information

Siemens has decided to exit the Russian market (see here).

 $\underline{https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business}$ 

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
