

SIRIUS, Diagnostics display for 3SK2 and modular Safety system 3RK3 for displaying diagnostics data

| General technical data                                  |    |                    |
|---------------------------------------------------------|----|--------------------|
| product brand name                                      |    | SIRIUS             |
| product category                                        |    | Safety relay       |
| product designation                                     |    | Diagnostics module |
| protection class IP on the front                        |    | IP54               |
| installation altitude at height above sea level maximum | m  | 4 000              |
| ambient temperature                                     |    |                    |
| • during operation                                      | °C | -25 ... +60        |
| • during storage                                        | °C | -40 ... +80        |
| • during transport                                      | °C | -40 ... +80        |
| design of the interface                                 |    | system interface   |
| number of keys                                          |    | 4                  |
| number of status displays                               |    | 3                  |
| number of displays                                      |    | 1                  |

| Installation/ mounting/ dimensions |    |              |
|------------------------------------|----|--------------|
| mounting position                  |    | vertical     |
| fastening method                   |    | screw fixing |
| width                              | mm | 96           |
| height                             | mm | 60           |
| depth                              | mm | 33           |
