## 3SU1130-7BB10-1NA0

Coordinate switch, 22 mm, round, plastic with metal front ring, black, 2 switch positions, vertical latching, with mechanical interlocking, in O position, with holder, 1 NO, 1 NO, screw terminal,

| -  |  |
|--|--|
| product brand name   | SIRIUS ACT                                 |
| product designation  | Coordinate switches                        |
| design of the product  | Complete unit                              |
| product type designation                                     | 3SU1                                       |
| product line   | Plastic with metal front ring, matt, 22 mm |
| manufacturer's article number                                |  |
| <ul> <li>of supplied contact module at position 2</li> </ul> | <u>3SU1400-1AA10-1BA0</u>                  |
| <ul> <li>of supplied contact module at position 4</li> </ul> | <u>3SU1400-1AA10-1BA0</u>                  |
| <ul> <li>of the supplied holder</li> </ul>                   | <u>3SU1550-0BA10-0AA0</u>                  |
| <ul> <li>of the supplied actuator</li> </ul>                 | <u>3SU1030-7BB10-0AA0</u>                  |
| Enclosure  |  |
| shape of the enclosure front                                 | round                                      |
| Actuator   |  |
| design of the actuating element                              | with mechanical interlocking               |
| principle of operation of the actuating element              | latching                                   |
| direction of actuation                                       | vertical                                   |
| product extension optional light source                      | No   |
| color of the actuating element                               | black                                      |
| material of the actuating element                            | plastic                                    |
| shape of the actuating element                               | Extended handle                            |
| outer diameter of the actuating element                      | 30.5 mm                                    |
| number of contact modules                                    | 2  |
| type of unlocking device                                     | push-to-unlatch mechanism                  |
| number of switching positions                                | 2  |
| Maximum deflection angle [°]                                 | 30°  |
| Front ring   |  |
| product component front ring                                 | Yes  |
| design of the front ring                                     | high                                       |
| material of the front ring                                   | Metal, matt                                |
| color of the front ring                                      | sand gray                                  |
| Holder   |  |
| material of the holder                                       | Plastic                                    |
| General technical data                                       |  |
| product function positive opening                            | No   |
| insulation voltage rated value                               | 500 V                                      |
| degree of pollution  | 3  |
| type of voltage of the operating voltage                     | AC/DC                                      |
| surge voltage resistance rated value                         | 6 kV                                       |
| protection class IP  | IP65, IP67                                 |
| • of the terminal  | IP20                                       |

| shock resistance   |  |
|--|--|
| according to IEC 60068-2-27  | sinusoidal half-wave 15g / 11 ms   |
| vibration resistance   |  |
| according to IEC 60068-2-6   | 10 500 Hz: 5g  |
| operating frequency maximum  | 2 400 1/h  |
| mechanical service life (operating cycles)   |  |
| <ul> <li>as operating period per direction of actuation typical</li> </ul>   | 100 000  |
| electrical endurance (operating cycles) typical  | 10 000 000   |
| electrical endurance (operating cycles) with contactors 3RT1015 to 3RT1026 typical                                   | 10 000 000   |
| thermal current  | 10 A   |
| reference code according to IEC 81346-2  | S  |
| continuous current of the C characteristic MCB   | 10 A; for a short-circuit current smaller than 400 A                           |
| continuous current of the quick DIAZED fuse link   | 10 A   |
| continuous current of the DIAZED fuse link gG  | 10 A   |
| Substance Prohibitance (Date)  | 10/01/2014   |
| operating voltage  |  |
| • at AC  |  |
| — at 50 Hz rated value   | 5 500 V  |
| — at 60 Hz rated value   | 5 500 V  |
| • at DC rated value  | 5 500 V  |
| Power Electronics  |  |
| contact reliability  | One maloperation per 100 million (17 V, 5 mA), one maloperation per 10 million |
| · · · · · · · · · · · · · · · · · · ·  | (5  V, 1  mA)  |
| Auxiliary circuit  |  |
| design of the contact of auxiliary contacts  | Silver alloy   |
| number of NC contacts for auxiliary contacts   | 0  |
| number of NO contacts for auxiliary contacts   | 2  |
| Connections/ Terminals   |  |
| type of electrical connection of modules and accessories   | Screw-type terminal  |
| type of connectable conductor cross-sections   |  |
| solid with core end processing   | 2x (0.5 0.75 mm²)  |
| solid without core end processing  | 2x (1.0 1.5 mm <sup>2</sup> )  |
