

SIMOCODE-DP Library Migration (Legacy) Function block and faceplate for installation of SIMOCODE-DP in the process control system PCS 7 for the PCS 7 version V9.0 SP2 Engineering software for an engineering station Single license including runtime software for execution of the AS block in an automation system English/German Type of delivery: DVD

General technical data				
product designation		SIMOCODE DP Migration component library		
software version		V9.0 SP2		
product description		Engineering software for SIMOCODE DP, AS blocks, and faceplates for integration into the SIMATIC PCS 7 process control system		
national language of the software		german / english		
product variations		engineering software		
product license		Single License for 1 engineering station, Single License for 1 automation system		
software class		A		
target system		SIMATIC PCS 7; SIMOCODE DP 3UF5		
Features				
product component component library		Yes		
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function - Product function maintenance function - product function evaluation function - product function parameterizing function		Yes No Yes Yes No No Yes No Yes Yes No No No		
Requirements				
design of the drive/storage medium required - CD-ROM - floppy disk - DVD drive		No No Yes		
Graphics card				
Software				
browser software required		no		
viewer software required		no		
Certificates/ approvals				
General Product Approval	EMC	For use in hazard-ous locations	Test Certificates	other
Confirmation				Special Test Certificate Miscellaneous
other

Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
