

SIMOCODE-DP Library Migration (legacy) Function blocks for installation of SIMOCODE-DP in the process control system PCS 7 for the PCS 7 version V9.0 Runtime software for executing the AS blocks in an automation system Single license License without software and documentation

General technical data		
product designation		SIMOCODE DP Migration component library
software version		V 9.0
product description		Runtime software for SIMOCODE DP, AS blocks for integration into the SIMATIC PCS 7 process control system
national language of the software		german / english
product variations		runtime software
product license		Single License for 1 automation system
software class		A
target system		SIMATIC PCS 7; SIMOCODE DP 3UF5

Features		
product component component library		Yes
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function - Product function maintenance function - product function evaluation function - product function parameterizing function		Yes No No Yes No No Yes No No No No No No No

Requirements		
design of the drive/storage medium required		
- CD-ROM - floppy disk - DVD drive		No No No
Graphics card		
Software		
browser software required		no
viewer software required		no

Certificates/ approvals				
General Product Approval	EMC	For use in hazardous locations	Test Certificates	other

Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
