Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).

Printing instructions

SIEMENS

06-07-2006

Deutsch:

Bitte beachten Sie, dass die Beschriftungstreifen nur zur Bedruckung durch einen Laserdrucker geeignet sind! Um eine ausreichende Haltbarkeit der Beschriftung zu gewährleisten, darf hierzu nur die rauhere der beiden Seiten bedruckt werden.

Portugu:

Por favor, com im-

sadece

English:

Please note that the labeling strips are only suitable for printing on a laser printer! To ensure adequate durability of the labels only use the rougher side of the strips.

Español:

No olvide que las tiras rotulables sólo son aptas para su inscripción con una impresora láser. Para garantizar una durabilidad aceptable de la inscripción sólo deberá imprimirse sobre la cara más áspera de las dos.

Français:

Remarque : les bandes de repérage ne conviennent qu'à l'impression par une imprimante laser ! Pour assurer durabilité suffisante du libellé, l'impression doit se faire sur la face la plus rugueuse.

Italiano:

Notare che le etichette di siglatura sono adatte solo per la stampa con stampante al laser! Per assicurare una buona durata della scritta, si deve stampare solo il lato più rugoso dell'etichetta.

SIEMENS
