SIEMENS

Data sheet

US2:52BP2DTXB

30mm BlackMax, Epoxy Coated Corrosion Resistant Complete Metal Unit Illuminated Push-Pull Operator Full Voltage, 24V AC/DC LED Lamp Mushroom Head Cap Small 1 3/4" (44.5 mm) Plastic, Amber 2 Position Maintained, Pull-to-Release UL Listed, CSA Certified NEMA 1,3,3R,4,4X,12,13 & Automotive Standards

design of the product Actuator round Enclosure number of command points 1 delivery state as a kit No Actuator No product extension optional light source Yes color of the actuating element amber material of the actuating element plastic type of unlocking device pull-to-unlatch mechanism number of switching positions 2 Front ring Yes design of the front ring Standard material of the front ring Metal color of the front ring black	command points te as a kit	1
number of command points 1 delivery state as a kit No Actuator	te as a kit	
delivery state as a kit No Actuator Product extension optional light source product extension optional light source Yes color of the actuating element amber material of the actuating element plastic type of unlocking device pull-to-unlatch mechanism number of switching positions 2 Front ring Yes design of the front ring Yes design of the front ring standard material of the front ring black	te as a kit	
Actuator product extension optional light source Yes color of the actuating element amber material of the actuating element plastic type of unlocking device pull-to-unlatch mechanism number of switching positions 2 Front ring Yes design of the front ring Yes material of the front ring standard material of the front ring black		No
product extension optional light source Yes color of the actuating element amber material of the actuating element plastic type of unlocking device pull-to-unlatch mechanism number of switching positions 2 Front ring Yes design of the front ring Yes material of the front ring standard material of the front ring black	ension optional light source

material of the actuating element plastic type of unlocking device pull-to-unlatch mechanism number of switching positions 2 Front ring product component front ring product component front ring Yes design of the front ring standard material of the front ring metal color of the front ring black		Yes
type of unlocking devicepull-to-unlatch mechanismnumber of switching positions2Front ringproduct component front ringYesdesign of the front ringstandardmaterial of the front ringmetalcolor of the front ringblack	actuating element	amber
number of switching positions 2 Front ring product component front ring Yes design of the front ring standard material of the front ring metal color of the front ring black	the actuating element	plastic
Front ring Yes product component front ring Yes design of the front ring standard material of the front ring metal color of the front ring black	ocking device	pull-to-unlatch mechanism
product component front ring Yes design of the front ring standard material of the front ring metal color of the front ring black	switching positions	2
design of the front ring standard material of the front ring metal color of the front ring black		
material of the front ring metal color of the front ring black	mponent front ring	Yes
color of the front ring black	he front ring	standard
	the front ring	metal
Holder	e front ring	black
material of the holder Metal	the holder	Metal
Contact block/ lampholder	ck/ lampholder	
BA 9s with LED	ign	BA 9s with LED
number of lampholders 1	lampholders	1
Display		
number of LED modules 1	LED modules	1
General technical data	nnical data	
product component	omponent	
lamp transformer No	transformer	No
light source Yes	source	Yes
degree of pollution 1	pollution	1
type of voltage	tage	
of the operating voltage AC/DC	e operating voltage	AC/DC
of the input voltage AC/DC	e input voltage	AC/DC
surge voltage resistance rated value 4 kV	age resistance rated value	4 kV
protection class IP IP66	class IP	IP66
of the terminal IP20	e terminal	IP20
operating voltage	voltage	
• at AC at 60 Hz rated value 24 28 V	C at 60 Hz rated value	24 28 V
• at DC rated value 24 28 V	C rated value	24 28 V
Supply voltage	ige	
type of voltage of the supply voltage of the light source AC/DC		AC/DC
supply voltage of the light source at AC at 60 Hz	age of the supply voltage of the light source	
• rated value 28 24 V		

supply voltage of the light source at DC		
rated value	28 24 V	
Connections/ Terminals		
type of electrical connection	screw-type terminals	
 of modules and accessories 	Screw-type terminal	
tightening torque of the screws in the bracket	20 N·m	
tightening torque [lbf·in] with screw-type terminals	8 8 lbf-in	
Lamp		
type of light source	LED	
color of the light source	yellow	
Safety related data		
touch protection against electrical shock	finger-safe	
Ambient conditions		
ambient temperature		
during operation	-35 +70 °C	
during storage	-40 +85 °C	
Installation/ mounting/ dimensions		
shape of the installation opening	round	
Certificates/ approvals		
Further information		
Siemens has decided to exit the Russian market (see he		
https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business Siemens is working on the renewal of the current EAC certificates. Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
