

Siemens Low Voltage Circuit Protection Heavy Duty Safety Switches. Type: ENCLOSED, SAFETY SWITCH Std: UL V. Rating: 600V A. Rating: 60A Wattage: 3W No. Of Poles: 3P F. Rating: 60Hz Action: DOUBLE THROW Material: 304SS Enclosure: TYPE 3R. 2-3 point mounting holes. O. Cycles: 10000 O. Temperature: (-20F-120F) AMBIENT TEMPERATURE Environmental Conditions: OUTDOOR

| General technical data                             |                                     |
|----------------------------------------------------|-------------------------------------|
| mechanical service life (operating cycles) typical | 10000                               |
| fastening method                                   | SURFACE                             |
| number of poles                                    | 3                                   |
| suitability for operation                          | LOAD TRANSFER BETWEEN POWER SOURCES |
| Electricity                                        |                                     |
| ampacity                                           | 60 A                                |
| supply voltage frequency rated value 50/60 Hz      | Yes                                 |
| Model                                              |                                     |
| product brand name                                 | SIEMENS                             |
| product type designation                           | DOUBLE THROW SWITCH                 |
| type of electrical connection                      | MECHANICAL LUGS                     |
| Mechanical Design                                  |                                     |
| design of the housing                              | TYPE 3R                             |
| design of the actuating element                    | DOUBLE THROW                        |
| material                                           | STEEL                               |
| General product approval                           |                                     |
| certificate of suitability                         | UL98                                |
