

## PCB Tech Clip

The Tech Clip is an EMI board shield clip which provides a cost effective alternative to using a 2-piece shielding solution and allows for EMI shield placement on a PCB without post soldering. The Tech Clip eliminates the need for hand soldering, as the parts are delivered in tape & reel packaging and are compatible with high speed automated placement equipment. The Tech Clip allows for easy shield removal and replacement for PCB rework or maintenance, and saves money on PCB costs by eliminating the need for through holes.

STATEMENT OF LIEU OF WARRANTY: All technical information and data in this document is based on tests and is believed to be accurate and reliable. Nevertheless, since the products described herein are not provided to conform with mutually accepted specifications and the use thereof is unknown, the manufacturer and seller of the products do not guarantee results, freedom from patent infringement, or suitability of the products for any application thereof. The manufacturer and seller of the products described in this document will provide all possible technical assistance and will replace any products proven defective. No statement or recommendations made by the manufacturer or seller not contained herein shall have any force of effect unless in conformity with an agreement signed by an officer of the seller and manufacturer. Product testing by the purchaser is recommended in order to confirm expected results.

## Applications & Benefits

- Allows for 1-Piece EMI/RFI Shielding on PCBs with easy shield removal/ replacement
- Universal clip with spring contact retention fingers compatible with .008" - .010" thick shielding materials
- Suitable for Automated Placement with Circular Pick Spot
- Tape & Reel Packaging
- Saves \$\$\$ on PCB costs

## Material

.008" Thick Pre-Tin Plated  
Phos. Bronze

## Availability

- Available Immediately through Distribution
- 2-4 Weeks Lead Time for Large Orders (No Stock)
- Ships Next Day if Parts are In-Stock
- **FREE** samples available upon request.

## Additional Products

Quick turn, low cost, standard and custom covers available. Contact our sales team for available options.
