Product overview: Fluke C25 Large Soft Case for DMMs

Protect your Fluke meters with our most popular zippered carrying case sold to date. This durable case is made with a high-quality polyester exterior and features padding on the interior pocket.

If you're looking for a Fluke case for meters like your 117, 115 or for your 87V, the C25 is designed for those multimeters. It is recommended to be used with most mid-sized multimeters, process and temperature meters. Some meters this Fluke case is compatible with:

- Fluke 323 True RMS Clamp Meter
- Fluke 324 True-RMS Clamp Meter with Temperature & Capacitance
- Fluke 87V IMSK Industrial Multimeter Service Combo Kit
- Fluke 114 Electrical Multimeter
- Fluke 115 Field Technicians Digital Multimeter
- Fluke 116 Digital HVAC Multimeter
- Fluke 117 Electrician's Multimeter with Non-Contact Voltage

"...ample room for the quick reference card, the meter, and the leads (...) the material quality and construction

should take abuse while protecting your expensive meter"- Jabit, verified customer
