Product Description

Name

Order number

Matchcode

Switching distance

Signal Type

Illuminant

Technical Specification

Signal type

Operating temperature

Digital output

Sensitivity adjustable

Sensing range adjustable

Protection category

Termination

Notes

reflex light probe

KORT60-M6MB13-X0301 RL

08361601700

9960-1700

60 mm

Like switching device

 Red light 660 nm

Diffuse mode sensor

-10 ° C to 55 ° C

ja

nein

IP65

1m PUR cable with connector

Diese Sensoren müssen mit einen Verstärker betrieben werden.

Errors and omissions exceptet

Mouser Electronics
