Miniature Inductors 622 Series

P. C. Board Mount

Note: This product line will soon be discontinued as a stocked series. Available while quantities last. For alternative solution assistance, please **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

Features:

- Vacuum epoxy cast for stability.
- Constructed to pass MIL environmental specs.
- Low profile and pin mounted for P.C. applications.
- Pin diameter 0.032"

Part No.	Inductance (L) +/- 2% (mH)	Idc (mA)* for -2% L	Nominal Q	Freq. (kHz.)	D.C. resistance +/- 20% (Ohms)
622S	47	13.7	65	16	27
622U	100	9.3	64	15	49
622W	220	6.4	60	13	122

* Note: Idc for minus 2% change of inductance (L)
