Swing-Out Sectional Wall Mount Rack Cabinet *HWM Series*
UL2416 rated to 350 lbs (158 kg). Seismic rated up to 200 lbs (90.72 kg).

The HWM Wall-Mount Cabinet offers a secure, swing-out storage solution for ICT equipment that is easy to install. With its sleek design, security features, and optional fan kits, it is perfect for public spaces or equipment rooms with limited floor space.

Features

- Available in two (2) depths and four (4) heights.
- Available with either a locking vented 63% perforated front door or a locking **acrylic window** front door.
- Heavy-duty spring-hinge pin for easy installation and removal.
- Body can be installed to swing from left to right or right to left.
- Each cabinet side includes six (6) fan grills allowing for active airflow as required.
- Rear section features:
  - The side of the rear section includes 2.50" and 2.00" knockouts.
  - The top and bottom of the rear section include 3.00", 2.00", 1.38", and 1.12" knockouts.
  - Generous cable management lances are located on the rear section and mounting rails.
  - Mounting points for outlet strips.
  - Heavy-duty keyhole for wall mounting.
  - Large opening in the rear for cable access. NOTE: Pole mounting requires a back plate (sold separately - see tables for part info).
- The front locking door and center section are keyed the same (optional secondary key available to provide additional security).
- Includes one (1) pair of 10-32 threaded rack rails with support for additional optional rails (see accessory table).
  - Starter pack of **SCREW1032-50** screws.

Specifications

- 14-gauge welded rear section; 16-gauge center section and doors.
- EIA-compliant adjustable depth mounting rails.
- Grounding lugs are located on the top and bottom of the door, center, and rear sections.
- **UL Listed 2416 load rated** to 350 lbs (158 kg).
- Seismic rated up to 200 lbs (90.72 kg) of dynamic load with an Ip factor of 1.5 in accordance with the IBC 2018, CBC 2019, NBC 2018, ASCE 7-16, and ASCE 7-10.
- Finished in sand-textured RAL9005 black or textured RAL9003 white powder coat. Complies with the Greenguard guidelines for indoor air quality.
- TAA-compliant for GSA Schedule purchases.
  - BAA/TAA-compliant documentation available upon request.
- RoHS Compliant.
- Manufactured in North America within an ISO 9001:2015 certified facility.

✓ **Are you pole-mounting the HWM?** We offer rear-pan panel for post mounting, to fill the rear cutout.

NEW SIZES

> **Product update as of July 2024:** Same great product with a new design. New door design, new side panel design and textured paint finish available in RAL9005 and RAL9003 powder coat.

Optional Front Door Replacement Lock

Part No.	HWMSLOCK

As both the front door and rear section are keyed alike, the HWMSLOCK replaces the existing door lock. This is ideal if you are installing the rack, and you want to prevent others from messing up your hard work.
