Air Baffle Panel *PVBB Series*

Note: This product line has been discontinued as a stocked series. Information is for reference only. For alternative solution assistance, please **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

Features

- Constructed in 16-gauge steel.
- Standard 19" rack mount
- Can be used to:
 - Direct hot air out of the rear of the racking space.
 - Maintain an air gap between equipment.
- Finished in smooth black powder paint.
- Includes 10-32 screws and clip nuts (for punched round hole rail mounting)
- May require different **mounting hardware** if using a different mounting rail.

Accessories

- Hardware for Rack Mounting Solutions
