# ABS Plastic Hand Held Enclosures *RH Series*
**Battery Door**

Key Features:

- Electronic hand-held enclosures ideally suited for mounting printed circuit boards.
- Ergonomically designed for a comfortable fit into the user's hand.
- Lap joint construction provides protection against dust accumulation and splashing water.
- Available with or without a gasket. Gasketed versions are rated IP65.
- Gasketed version includes a factory-installed gasket around top and bottom half and around battery door.
- Molded in a general purpose ABS plastic which carries a UL flammability rating of UL94 HB.
- The top half includes a smooth recessed area for membranes, keypads, labels, and more.
- Assembled with M3 Philips self-tapping screws.
- Both top and bottom halves contain molded PC board standoffs.
