

Stamped contacts Crimp female contacts diameter 1,6 mm for wire gauge AWG 26 - 20 silver plated

Part No. VN02 016 0003 1

Series Contacts  
Subseries Contact Stamped contacts

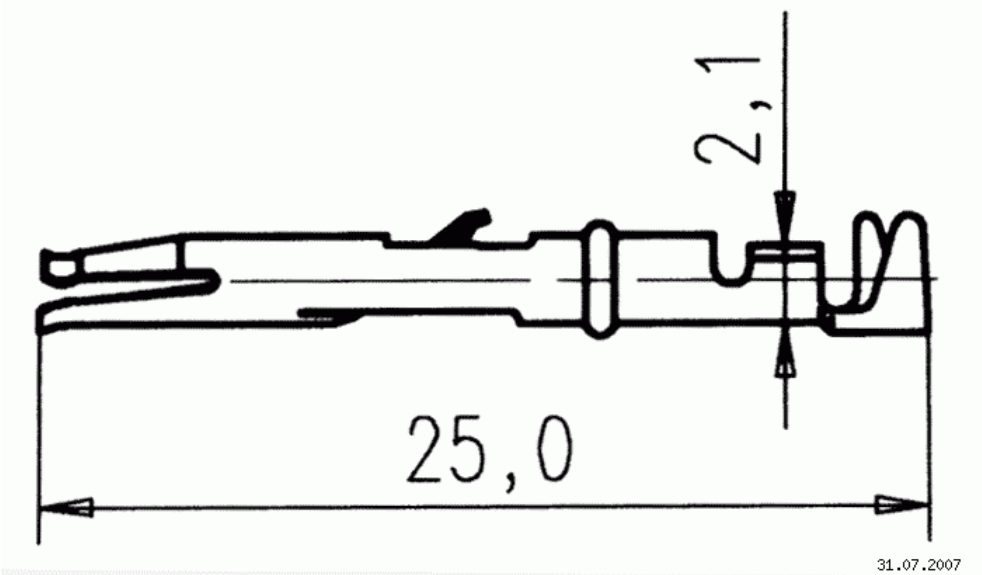

| COMMON CHARACTERISTICS     |                                                    |                              |
|----------------------------|----------------------------------------------------|------------------------------|
| Contact diameter           |                                                    | 1,6 mm                       |
| Insulation diameter        |                                                    | 1,0 - 2,0 mm                 |
| Wire gauge from            |                                                    | 0,14                         |
| Wire gauge to              |                                                    | 0,5                          |
| Wire gauge (AWG) from      |                                                    | 26                           |
| Wire gauge (AWG) to        |                                                    | 20                           |
| Packaging / supplied as    |                                                    | Single contact               |
| No. of pieces              |                                                    | 100                          |
| Sex of Contact             |                                                    | Socket                       |
| Type of contact            |                                                    | Stamped/rolled crimp contact |
| ELECTRICAL CHARACTERISTICS |                                                    |                              |
| Contact resistance         | DIN EN 60512-2-1, Test 2a / IEC 60512-2-1, Test 2a | < 5 mΩ                       |
