

Technical drawing of the front view of the device. The drawing shows a central rectangular panel with a large arrow pointing right. Above and below the arrow are three vertical slots. To the left of the panel is a cylindrical section with four square buttons and four circular indicators. To the right of the panel is a threaded section with a diameter of 9.30. Dimensions are given: 29.5 for the total width, 27.5 for the panel width, and 19.0 for the distance from the left edge to the start of the threaded section.

Slider: Thermoplastic, Black
