			Parallel	S14281	S6475-TL-50-078						

Standard color black.

- Stainless steel mini clip "bites" into panel, chassis or module edges.
- Ideal for use where holes cannot be used or where adhesives are unacceptable due to temperature issues.
- Applies easily to plastic and metal without the need for a mounting hole.
- Ideal for assembly usage. Clip provides low insertion force and high extraction.
- Two piece assembly allows the clip to slide along the strap ensuring proper orientation.
