Material	Nylon 6/6, Heat Stable / UV Stable
Flammability Rating	UL 94 V-2
Temperature Range	-40°F (-40°C) to 239°F (115°C)

- Simple application by hand with quick twist 90° swivel for friction fit, hold in place with high pull-out retention.
- Simply twist to remove for routing and location adjustment.
- Wide cable diameter range handles multiple applications.
- Releasable and reusable.
- Secure clamping will not release easily.
- Locking feature prevents twisting apart.
- **All new Quarter-Turn Mount #3 style (QTM-3)**, designed to work with popular IronRidge and Unirac solar racking systems.
- Could be used in any 3/8" T-Slot racking or rail system from other manufacturers.
- **All new Quarter-Turn Mount #2 style (QTM-2)**, designed to work with popular IronRidge and Unirac and Small Solar Stack solar racking systems.
- QTM-2 could be used in any 1/4" T-Slot racking or rail system from other manufacturers.
- **All new Quarter-Turn Mount #5 style (QTM-5)**, designed to work with popular large Solar Stack racking systems.
- QTM-5 can also be used on Powermotion racking for industrial automation and robotics workstations.
- QTM-5 could be used in any 1/2" T-Slot racking or rail system from other manufacturers.
