Technical drawing of a connector component. The top view shows a square component with a central circular feature and four corner holes. Dimensions include overall width and height of 13±0.3, a central circular feature diameter of 7.6⁰_{-0.2}, and four corner holes of diameter 2.3±0.1. The side view shows a cross-section with a total height of 10.6±0.2 and a central hole diameter of 0.87±0.05. Callouts 1 through 6 identify different layers or materials.
