

Series 034 – TO-5 Miniature PCB Mount

actual size

Features

- Circuit: SPST-NO momentary
- Gold contacts
- PCB mount
- Wide range of actuator lengths
- Optional vinyl protective boot (see TO-5 Rotary)
- Temperature range: -30°C to +65°C (-22°F to +149°F)

Electrical Characteristics

Life Expectancy:
In excess of 1,000,000 actuations

Ordering Information

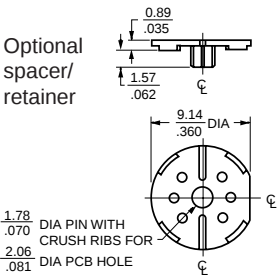

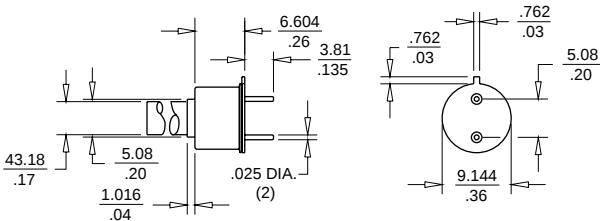

Part Number	Mounting	Button Height	Button Color
034-550-001	PC	.06"	Black
034-550-002	PC	.50"	Black
034-550-005	PC	.15"	Black
034-550-006	PC	.25"	Black
034-550-010	PC	.37"	Black
034-550-015	PC	.19"	Black

Part Number	Description	Material
058-000-056	Protective Boot	Vinyl

Part Number	Description
055-002-214	Spacer/Retainer

Electrical Characteristics

Circuitry	Current	Voltage
SPST-NO	100 mA	125 VAC
