

W 61

Product no.: T0056103699N

Benefits

- › 60 W, 230 V
- › Magnastat controlled

Technical Data

Active Tip heating element technology	---
Power Response heating element technology	---
Silver Line heating element technology	---
Voltage	230 V AC
Power	60 W
Tip range	CT5
Supply unit	---
WX-compatible	---
Temperature range °C	370°C
Temperature range °F	698°F
Heating time	tbd
Safety rest	---
Safety rest (optional)	---
Barrel	---
Integrated direct extraction	---

Mouser Electronics
