

The Jonard all-in-one coring tools provide a complete coring solution for 1/2", 5/8" and 3/4" hardline cables. These tools include a jacket stripper at the front of the tool, a coring tool with an adjustable center conductor beveller and a stop to insure consistent coring lengths with a comfortable ratcheting handle.

The jacket stripper is removable so you can use it as a standalone jacket stripper or just use the coring portion. Remove the ratcheting handle and you can connect the coring tool to a drill for faster coring.

The tool is rugged with an all-aluminum housing and rugged T shaped ratcheting handle. Blades are easily replaced as is the coring bit and beveler.

Tools are designed to work on Commscope P3 and Times Fiber T10 cables.
