

Designed specifically for cutting out single and double gang metal old work boxes, this wall template level is perfect for ensuring the boxes are level every time. This wall template level features the following:

- Built-in levels assist in positioning the template perfectly
- Wide protective rubber strips hold the template in place and prevent scuffing or scratching the wall
- Triangular cutouts guide cutting around ears in metal old work boxes
- Compatible with Hubbell RACO 506 single and double gang switch boxes and other similar metal old work electrical boxes
- Added screw holes to hold it in place for hands-free use
- Includes horizontal and vertical centerlines for easy alignment
- 1-gang cutout dimensions: 1.94" wide x 3.06" high
- 2-gang cutout dimensions: 3.75" wide x 3.06" high
