

Designed specifically for cutting out 3 and 4-gang non-metallic old work boxes, this wall template level is perfect for ensuring the boxes are level every time. This wall template level features the following:

- Built-in levels assist in positioning the template perfectly
- Wide protective rubber strips hold the template in place and prevent scuffing or scratching the wall
- Compatible with Carlon B355R & B468R 3-gang and 4-gang old work non-metallic boxes and other similar sized 3 and 4-gang boxes
- Added screw holes to hold it in place for hands-free use
- Includes horizontal and vertical centerlines for easy alignment
- 3-gang cutout dimensions: 5.94" wide x 3.64" high
- 4-gang cutout dimensions: 7.71" wide x 3.64" high
