

Designed to illuminate dark areas and facilitate the pushing and pulling of cables through walls, this flashlight whisk is the perfect attachment head for glow rods and fish sticks. This attachment head also features the following:

- Holes in the whisk allow you to attach wires and cables easily
- Super-bright LED illuminates dark areas for greater visibility
- Curved whisk shape guides glow rods or fish sticks over any obstacle
- Fits all Jonard RDG-series glow rods, and compatible with most other glow rods and fish sticks
- Snagless On/Off switch preserves battery life when not in use
- Includes (2) CR1220 Batteries, required for operation
