

HW-UW-26SM - Wrap-Unwrap Tool, 26 AWG - Data Sheet

This two sided wire wrapping and unwrapping tool is intended to be two tools in one. It is designed to produce perfect wire wrapping connections. Precision, long-lasting tools for use where occasional wire wraps are required or where power wire-wrapping tools are not practical. Compact and convenient. To switch from wire wrapping to unwrapping takes only seconds - just a quick change of the cap from one end to the other
