

## EMV nut - A-INLE-M20-N-S - 1411269

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

EMV nut, material: Brass, nickel-plated, for threads M20 x 1.5, color: silver

RoHS

### Key Commercial Data

|              |                                                                                                         |
|--------------|---------------------------------------------------------------------------------------------------------|
| Packing unit | 100 pc                                                                                                  |
| GTIN         | <br>4 046356 924009 |
| GTIN         | 4046356924009                                                                                           |

### Technical data

#### Dimensions

|                            |        |
|----------------------------|--------|
| Length                     | 4.7 mm |
| Connecting thread diameter | 20 mm  |
| Wrench size, counter nut   | 24 mm  |
| Hexagon angular dimension  | 27 mm  |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Ambient temperature (operation) | -70 °C ... 220 °C |
|---------------------------------|-------------------|

#### General

|                                |                                                                     |
|--------------------------------|---------------------------------------------------------------------|
| Material                       | Brass, nickel-plated                                                |
| Thread type on connection side | M20 x 1.5                                                           |
| Color                          | silver                                                              |
| Assembly instructions          | for EMC cable glands, for removing a non-conductive surface coating |

#### Standards and Regulations

|              |     |
|--------------|-----|
| Halogen-free | yes |
|--------------|-----|

#### Environmental Product Compliance

|            |                                                |
|------------|------------------------------------------------|
| REACH SVHC | Lead 7439-92-1                                 |
| China RoHS | Environmentally Friendly Use Period = 50 years |
