

#### Main

|                    |                                                |
|--------------------|------------------------------------------------|
| Device Application | Decrease stress of resonant frequency on motor |
| Range of Product   | Altivar                                        |

#### Complementary

|                     |                                                 |
|---------------------|-------------------------------------------------|
| Depth               | 6 in (152.40 mm)                                |
| Height              | 6.5 in (165.10 mm)                              |
| Product destination | Variable speed drive Altivar 66 7.5 hp 460 V AC |
| Net Weight          | 11 lb(US) (4.99 kg)                             |
| Width               | 8 in (203.20 mm)                                |

#### Ordering and shipping details

|                     |                                      |
|---------------------|--------------------------------------|
| Category            | 22062-LINE REACTORS/FILTERS (RL,KLC) |
| Discount Schedule   | CP4C                                 |
| GTIN                | 00785901143864                       |
| Package weight(Lbs) | 8.00 lb(US) (3.629 kg)               |
| Returnability       | No                                   |
| Country of origin   | US                                   |

#### Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|
