

## Main

|                   |   |
|-------------------|---|
| Device short name | XCSA  |
| Enclosure type    | Enclosure corrosion resistance indoor/outdoor<br>Enclosure dust and damp proof indoor/outdoor |

## Complementary

|                               |                               |
|-------------------------------|-------------------------------|
| Line Rated Current            | 10 A                          |
| Actuator                      | Key                           |
| Contact operation             | Slow-break, break before make |
| Contacts type and composition | 1 NO/2 NC                     |
| Depth                         | 1.73 in                       |
| Enclosure material            | Metal                         |
| Height                        | 4.47 in                       |
| Locking options description   | Without locking of actuator   |
| Number of poles               | 3                             |
| Permissible voltage           | <= 300 V AC                   |
| Pilot light                   | LED orange 24/48 V            |

## Environment

|                                       |              |
|---------------------------------------|--------------|
| ambient air temperature for operation | -13...158 °F |
| IP degree of protection               | IP67         |
| NEMA degree of protection             | NEMA 4/4X/12 |

## Offer Sustainability

|  |  |
